PROCAMATION

By His Excellency, David S. Reid, GOVERNOR OF NORTH CAROLINA.

WHEREAS, by an Act passed at the last session of the General Assembly, entitled "An Act Supplemental to an act passed by the present session of the General Assembly entitled an act to lay off and establish a new county by the name of Yadkin," it was provided that an election should be held by the voters of Surry County to ascertain their will in regard to the division of said County; and whereas, the Sheriffof said county of Surry has certified to me under his hand and seal, dated the 2d day of May, A. D 1851, that at an election opened and held at the several precincis in said county on the first Thursday in May A. D. 1851, in contormity with the before recited act, and that at said election a majority of all the votes cast were in favor of Di-

I therefore make the fact known by this. my Proclamation, that the before recited act and the one to which it is supplemental, may be operative and take effect. In testimony whereof, David S. Reid, Governor of North Carolina, hath hereunto set his hand and caused the Great Seal of

said State to be affixed. Done at the city of Raleigh on the 10th day of May, in the year of our Lord one thousand eight hundred and fifty one, and in the seventyfifth year of our independence.

DAVID S. REID. THOMAS SETTLE, JR., Private Secretary. May 10, 1851.

ATTENTION! Farmers, Wool Growers, Merchants And all others interested in the support and encourage-

ment of HOME MANUFACTURES!

We take this method of making known to you that what has been the wish and hope of thousands of our fellows citizens, has at length been accomplished what has been written and talked of for years and years, a Factory, is now in our midst.

The Old North State Wollen Mill is in full operation, and turning off daily hundreds of yards of home made cloth. For its support and continuance in successful operation, requires only that you bring forward wool; it matters not whether the quantity be 5 or 500 lbs, we buy all and at the highest Cas, prices; or if the Wool be washed and free from Burs, we will work it on shares, (or one half for the other) into Cloth that shall suit, or if preferred, charge so much per, yard, according to style and finish. We are also prepared to make Blankets on the same terms, of any size and quality.

Our Dyeing Department is very complete, and all Wollen articles, such as Homespuns, Shawls, Carpet, Warps, &c. &c. can be dyed at a very short notice of any colours, and warranted to give satisfaction. Also, Cotton Yarns of a Blue colonr. We are now erecting a Brick Store attached to the

Factory, for the better exhibition and sale of our Goods. In the hope of spreading them far and near, we are retailing at very low rates, and invite all disposed to en-courage Home Manufactures to call and see for them-STANLY & GUION. Any person having WOOL to sell, or who is desirous of becoming an Agent for its purchase, will do well either to call upon, or address a few lines to us on the
